### Digital Skills for Manufacturing Careers

OCTOBER 7, 2022 • 8:30 AM – 5:30 PM

AT THE BERKSHIRE INNOVATION CENTER, 45 WOODLAWN AVENUE, PITTSFIELD

## FREE

FOR UN AND UNDER EMPLOYED BERKSHIRE COUNTY RESIDENTS

If you are searching for a new career, do not overlook manufacturing. Today's employers are investing in fresh talent and modern technologies to bring new, innovative products to market. YOU could be the talent they have been waiting for. A continental breakfast and lunch will be provided.

### Modern Technologies Covered in Course:

- Augmented Reality & Virtual Reality (AR/VR) for Manufacturing
- Microsoft Excel for Manufacturing
- CRM (Customer Relationship Management) & ERP (Enterprise Resource Planning) software
- 3D Printing
- Computer Aided Design (CAD)

*This course is brought to you in partnership with:*

Berkshire  
Innovation  
Center

*Berkshire Advanced Manufacturing Technical Training Program is funded by the State of Massachusetts through the Massachusetts Technology Collaborative and administered locally by the MassHire Berkshire Workforce Board, and is in collaboration with MassHire Berkshire Career Center, Berkshire Community College, The Berkshire Innovation Center, Berkshire CanCode, and area manufacturing companies.*
