Want a Job in the Diverse World of Manufacturing? Many Jobs are available!

Introduction to Advanced Manufacturing Skills
Training will be available in Winter/Spring of 2022

***In-person training available at McCann Technical School
OR**

***Online training through TOOLING-U in collaboration with
Berkshire Community College**

Participants in either program will receive training in:
**OSHA, Shop Math, Blue Print Reading, CNC and other
Manufacturing fundamentals**

***Virtual Digital Literacy Program in Collaboration with the
Berkshire Innovation Center/Berkshires CanCode**

Participants will be given the opportunity to become
proficient in computer skills and introduced to coding gaining
digital skills to enter the workforce in entry level positions.

Berkshire Advanced Manufacturing Technical Training Program is funded by the State of Massachusetts through the Massachusetts Technology Collaborative and administered locally by the MassHire Berkshire Workforce Board, and is in collaboration with MassHire Berkshire Career Center, Berkshire Community College, McCann Technical School, Pittsfield Public Schools, and area manufacturing companies.
