Daily for 3 wks on-line

## FREE TRAINING IN MANUFACTURING

Training programs start October 2022

Looking to Jump Start your career?  
Want to work in a creative and hands-on  
field? We are looking for Berkshire un/under-  
employed Berkshire residents who want to  
participate in training that could lead  
to jobs in advanced manufacturing.  
Interested? Visit [www.MassHireBerkshire.com](http://www.MassHireBerkshire.com)  
for flyer and application or call  
413-442-7177, ext 153 for more information.  
Please apply ASAP as training slots are limited  
and training starts in October. In-person and  
on-line training is available.

Training is provided through the Massachusetts Technological Collaborative, administered locally by MassHire Berkshire Workforce Board in collaboration with MassHire Berkshire Career Center, Berkshire Community College, McCann Technical School, The Berkshire Innovation Center, Berkshire CanCode and area manufacturing companies.
